Registration Day Details... This is a MANDATORY meeting (in person) where the Talent (student performers), one parent/guardian and the Act's Chaperons (18 years of age or older) will fill out additional registration forms and participant waivers. **Each Act will stand on the stage and give a brief description of their Act. Be sure to include music choices, costume ideas, props, and any other fun details you want to tell us!** Note: Each performance must not exceed 2 minutes max! Thanks!

*To ensure an efficient show order, each Act MUST attend in person to register the Act. The detailed descriptions will assist in show prep. Those unable to attend a registration day, unfortunately, will not be able to perform in the showcase this year. ☺ If you cannot make the first registration date, please contact “Ms. Kristin.” (text 714.296.0561)

CHAPERONES – Each Act must have 1 designated Chaperone over the age of 18 even if your Act is a solo! This is for the safety of the students, as this is an after school activity. The Chaperone will be in charge of “their” Act. The bonus volunteering as a Chaperone... after you walk your solo/group Act to the stage, you will be able to sit front and center to watch YOUR designated Act!! After they have completed their performance, you will meet up with your Act back stage. We like to call this, “The Changing of the Chaperones”
